Learn about the Master while training your best friend Training your dog to come when called is hard. Putting down that third brownie is even harder. Discipline and obedience are not exactly welcome words for dogs or people. Dingo Devotionals will show you how living within boundaries is not restrictive but the most liberating choice we can make. Author and boarding kennel owner Lynne Scott noticed the parallels between dog training and faith in God while taking her dogs through obedience classes. Struggling with her own spiritual journey during her husband's battle with Lou Gehrig's disease, dogs in Lynne's care and the on-going training of her Australian Cattle dog, Foster, brought home the message of Trust the Master. Wise and humorous, Dingo Devotionals provides a unique perspective at the intersection of life and faith.
