## **Ideas of the Twentieth Century** Daniel Bonevac

The twentieth century ushered in significant progress, as philosophers, scientists, artists, and poets across the world improved the way we lived. Yet the last century also brought increased levels of war, tyranny, and genocide, and people lost faith in values. Now, thinkers and leaders are reconstructing theories of value and creating institutions to embody them. In this thought-provoking, broad-sweeping course, you will learn how philosophy, art, literature, and history shaped the past century and continue to impact our world today.
