Michigan Supreme Court Historical Reference Guide, 2nd Edition David Chardavoyne, Paul Moreno

This second edition of the *Michigan Supreme Court Historical Reference Guide* contains the biographies of Michigan Supreme Court's justices from its territorial beginnings in 1803 through 2015. It includes summaries of twenty top cases of the Michigan Supreme Court, which contextualize the eras in which the justices were on the bench, giving a greater depth of understanding to both who the justices were and the historical significance of the cases they decided. A rich reference for historians and attorneys, this book also includes valuable charts detailing election dates and candidates as well as court compositions (who served with whom); lists of chief justices and the ten longest—and shortest—serving justices with dates of service; and a history of the structural evolution of the Michigan Supreme Court.
