Soren Kierkegaard

The Sickness Unto Death: A Christian Psychological Exposition For Upbuilding And Awakening (Kierkegaard's Writings, Vol 19) (v. 19) Soren Kierkegaard

A companion piece to *The Concept of Anxiety*, this work continues Søren Kierkegaard's radical and comprehensive analysis of human nature in a spectrum of possibilities of existence. Present here is a remarkable combination of the insight of the poet and the contemplation of the philosopher.

In *The Sickness unto Death*, Kierkegaard moves beyond anxiety on the mental-emotional level to the spiritual level, where--in contact with the eternal--anxiety becomes despair. Both anxiety and despair reflect the misrelation that arises in the self when the elements of the synthesis--the infinite and the finite--do not come into proper relation to each other. Despair is a deeper expression for anxiety and is a mark of the eternal, which is intended to penetrate temporal existence.
