Theological Roots of Pentecostalism

Donald W. Dayton

Theological Roots of Pentecostalism Donald W. Dayton

Pentecostalism is one of the most dynamic forces in twentiethcentury Christianity. From fastgrowing denominations such as the Assemblies of God to popular television ministries such as "The 700 Club," the fruits of Pentecostalism can be seen throughout modern Christian life. In this landmark study, Donald Dayton explains how Pentecostalism grew out of Methodism and the nineteenthcentury holiness revivals. He finds evidence of Wesleyan teaching in the classic writings of many Pentecostal leaders. He shows how Pentecostalism is rooted in the Wesleyan theological tradition, rather than being a contrived system of modern revivalistic ideas. Martin E. Marty says in his foreword that Pentecostals "have no choice, it is clear from this book, but to see that there were . . . roots to the growth they reaped." He calls *Theological Roots of Pentecostalism* "a very important statement . . . one without which subsequent commentators on Pentecostalism are not likely to give intelligent accounts."
