Quebec 1759: The Battle That Won Canada (Campaign) Stuart Reid

Osprey's study of the decisive battle of the French and Indian War (1754-1763). 'What a scene!' wrote Horace Walpole. 'An army in the night dragging itself up a precipice by stumps of trees to assault a town and attack an enemy strongly entrenched and double in numbers!' In one short sharp exchange of fire Major-General James Wolfe's men tumbled the Marquis de Montcalm's French army into bloody ruin. Sir John Fortescue famously described it as the 'most perfect volley ever fired on a battlefield'. In this book Stuart Reid details how one of the British Army's consummate professionals literally beat the King's enemies before breakfast and in so doing decided the fate of a continent.
