**Reflective Practice in Nursing: SAGE Publications (Transforming Nursing Practice Series)** Lioba Howatson-Jones

Reflection enables us to make sense of, and learn from, experiences that can sometimes seem uncertain, chaotic or even mundane. The second edition of this popular book introduces student nurses to reflection in a clear and practical manner. It explains what reflection is, why it is so important to nursing practice and the different types of reflection that can be used to help make sense of practice. The new edition includes a new chapter on using digital media in reflection, new case studies from each field of practice and new activities.
