Story Anatomy: A collection of short stories Steven Hammon

High Concept Short Stories in the vein of Philip K. Dick. Various genres but all with a thread of action and tension about them. Each one is short enough to enjoy as if you were watching a film as it happens.

This book also has extra information about what it takes to make a great story. It delves into the Hero's Journey, character creation, and the general way in which a story evolves from idea to finished product.

A sample: "Suddenly the goo starts eating her hands away as she screams watching her fingers dropping off into her lap. She turns and tries to claw her way towards the door with her stumps. The liquid metal starts working its way around her waist. She coughs. She then throws up grey goo which starts eating her mouth away as she gargles. She drops to the ground dead as her nerves twitch. In her temple, her skin crawls as if maggots are under her skin, before the grey goo breaks through. Out of her tear duct, a drop of silver runs down like a tear."

From reader reviews:

Jesse Williams:

The book Story Anatomy: A collection of short stories can give more knowledge and also the precise product information about everything you want. Why then must we leave a good thing like a book Story Anatomy: A collection of short stories? A few of you have a different opinion about book. But one aim in which book can give many details for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or facts that you take for that, you are able to give for each other; you can share all of these. Book Story Anatomy: A collection of short stories has simple shape but you know: it has great and massive function for you. You can seem the enormous world by available and read a book. So it is very wonderful.

Lisa Bentley:

Why? Because this Story Anatomy: A collection of short stories is an unordinary book that the inside of the guide waiting for you to snap that but latter it will surprise you with the secret this inside. Reading this book alongside it was fantastic author who all write the book in such wonderful way makes the content on the inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your ability and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

Audrey Spence:

That book can make you to feel relax. This particular book Story Anatomy: A collection of short stories was colorful and of course has pictures around. As we know that book Story Anatomy: A collection of short stories has many kinds or style. Start from kids until adolescents. For example Naruto or Investigator Conan you can read and believe that you are the character on there. Therefore not at all of book usually are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading that.

Deanna Marcantel:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Story Anatomy: A collection of short stories can make you truly feel more interested to read.
