**The Life and Adventures of Santa Clause. by L. Frank Baum (Illustrated)** L. Frank Baum  
From the creator of the Wizard of Oz, comes this classic tale of the origin and life of Santa Claus.

"Necile knew she was breaking the Law, but the thought did not give pause to her dainty feet. She had decided to see with her own eyes this infant Ak had told of, for she had never yet beheld a child of man. All the immortals are full-grown; there are no children among them. Peering through the trees Necile saw the child lying on the grass. But now it was sweetly sleeping, having been comforted by the milk drawn from Shiegra. It was not old enough to know what peril means; if it did not feel hunger it was content."

Beautifully Illustrated.
