Emily's New Job JJ Argus

It was just something to do. Emily and her friends climbed over the fence to skinnydip in the pool owned by the richest man in town. Yet when the guards show up, only Emily is caught. Naked and handcuffed, she is led before Derek Maguire, infamous in town for being a cruel man. She discovers he's also an incredibly handsome man – with kinky tastes. He punishes her, then offers her a job. Shocking herself, she takes it. What else is there to do in her crummy town anyway? But working for the Maguires is like no other job she could have imagined, for it involves submitting herself to their every desire, and learning all the dark, thrilling pleasures of her own body.
