**Family Therapy: An Overview** Herbert Goldenberg, Irene Goldenberg

FAMILY THERAPY provides a balanced presentation of the major theoretical underpinnings and clinical practices in the field. By presenting an overview of traditional and evolving viewpoints, perspectives, values, intervention techniques, and goals of family therapy, Herbert and Irene Goldenberg provide current, relevant, practice-oriented content laying the foundation for students to become proficient family therapists. This edition reflects the Goldenbergs' commitment to providing students with not only traditional family therapy theoretical frameworks but also the field's evolving models of practice. It is the complete resource for assisting students in mastering the many facets of family therapy. For this edition, Michael White, founder of Narrative Therapy, has written a new foreword for the book.
