## **Little Man, What Now?** Hans Fallada

This is the book that led to Hans Fallada's downfall with the Nazis. The story of a young couple struggling to survive the German economic collapse was a worldwide sensation and was made into an acclaimed Hollywood movie produced by Jews, leading Hitler to ban Fallada's work from being translated.

Nonetheless, it remains, as *The Times Literary Supplement* notes, "the novel of a time in which public and private merged even for those who wanted to stay at home and mind their own business."
