*Social Studies Comes Alive: Engaging, Effective Strategies for the Social Studies Classroom* provides teachers with critical, creative, and inquiry-based activities to engage students in real-world projects and research. Students will benefit from learning professional research practices and products that can make a real difference in their lives and those within their communities. Within this text, teachers can select activities as needed to engage their students in authentic learning on any topic, moving beyond the traditional guided reading and worksheet approach. These instructional approaches and classroom activities are powerful tools for combating student indifference toward social studies that creeps in during middle school and high school. Each lesson comes with instructions and ideas for challenging students in order to guide them to self-directed learning. Grades 6-10
