[3 Audio Books/Abridged/10 Audio Cassettes/15 Hrs.] Book 1 - DIRT: Feared and loathed for her poison pen and ice queen persona, Amanda Dart has made her share of enemies. Then the tables are turned. An anonymous gossipmonger is faxing Amanda's personal and private peccadilloes to anyone who can read. Desperate to save her reputation, she enlists the help of New York lawyer and private investigator Stone Barrington to learn the identity of the faxer. And everyone in the world of tabloid journalism becomes a suspect. Book 2 - WORST FEARS REALIZED: Not a man to dwell on the past, Stone Barrington has no choice but to rattle old skeletons when the people closest to him start dying, and he has little to go on but the suspicion that the killer might be someone he once knew. The trip down memory lane isn't all bad though, for it reunites Stone with his ex-partner, Dino Bacchetti, now head of detectives in the nineteenth precinct. Trying to find a brilliant killer in a sea of old faces is difficult enough without Stone's former love, Arrington, now Mrs. Vance Calder, resurfacing too-especially when she sets off her own fireworks coming nose to nose with his latest flame, a Mafia princess as beautiful as she is dangerous. Book 3 - COLD PARADISE: Cop-turned-lawyer Stone Barrington becomes reacquainted with a case he thought was buried years ago, and must settle romantic entanglements that haunt him still. Allison Manning mysteriously reappears to request his help with a set of problems she has never resolved, which involve millions of dollars. She fears, too, that somebody might be stalking her, but she's not sure who - or why. She knows of no one better than Stone, who has both the legal experience and the investigative instincts to guarantee her safety.
