The middle of the journey

Lionel Trilling

The middle of the journey Lionel Trilling

Published in 1947, as the cold war was heating up, Lionel Trilling's only novel was a prophetic reckoning with the bitter ideological disputes that were to come to a head in the McCarthy era. *The Middle of the Journey* revolves around a political turncoat and the anger his action awakens among a group of intellectuals summering in Connecticut. The story, however, is less concerned with the rights and wrongs of left and right than with an absence of integrity at the very heart of the debate. Certainly the hero, John Laskell, staging a slow recovery from the death of his lover and a near-fatal illness of his own, comes to suspect that the conflicts and commitments involved are little more than a distraction from the real responsibilities, and terrors, of the common world.

A detailed, sometimes slyly humorous, picture of the manners and mores of the intelligentsia, as well as a work of surprising tenderness and ultimately tragic import, *The Middle of the Journey* is a novel of ideas whose quiet resonance has only grown with time. This is a deeply troubling examination of America by one of its greatest critics.

From reader reviews:

Frances Small:

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is from the former life are difficult to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you obtain the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take The middle of the journey as your daily resource information.

Donna Cancel:

Playing with family inside a park, coming to see the coastal world or hanging out with good friends is thing that usually you might have done when you have spare time, subsequently why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love The middle of the journey, you can enjoy both. It is fine combination right, you still would like to miss it? What kind of hang type is it? Oh can occur its mind hangout folks. What? Still don't understand it, oh come on its named reading friends.

Sonia Shipley:

Your reading sixth sense will not betray you, why because this The middle of the journey guide written by well-known writer we are excited for well how to make book that can be understand by anyone who all read the book. Written with good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still question The middle of the journey as good book not only by the cover but also from the content. This is one guide that can break don't evaluate book by its handle, so do you still needing a different sixth sense to pick this specific!? Oh come on your reading sixth sense already said so why you have to listening to one more sixth sense.

Donnie Matthews:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source which filled update of news. In this modern era like right now, many ways to get information are available for a person. From media social including newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Isn't it time to spend your spare time to open your book? Or just seeking the The middle of the journey when you needed it?
