## **Working with Involuntary Clients: A Guide To Practice** Chris Trotter

Many social workers and welfare workers are employed in positions where they deal with involuntary clients. These positions are demanding, and require specific skills. This book, richly illustrated with case examples, describes Chris Trotter's new problem-solving model, which offers a way to work in partnership with involuntary clients.

The author's integrated and systematic approach emphasizes clarifying roles, promotes prosocial values, deals with issues of authority and establishes goals. The result is an invaluable practical guide for social work and welfare students and professionals to working with both the clients and their families.
