This Prayer Manual for the Healing of Persons Involved with Abortion is designed with prayers that “will go like an arrow into a target.” They will pierce lives and they will change people. These prayers are going to turn them from the things that they are looking into so they can begin to see differently the things God has for them. The love of the Father and His forgiveness will result in healing. This will set them free—free to see who they are in Him, free to live the life He wants them to live. The Prayer Guidelines will show you how to effectively pray and/or minister with the leading of Holy Spirit to women who have had an abortion, as well as to others involved with her decision—the father, parents, friends, pastors, counselors, etc. This book will even help you deal with former rapists, traffickers, and pimps as well as addressing abortionists and those who have worked in abortion clinics.
