Fairy Tales & Horror Stories, A Memoir Merlyn Fuller

A perfect rural country life filled with stories of a serial killer, Theology, Angels, Demons, Sex, drugs & rock'n'roll, backstage theater stories, musician tales from gigs on the road, Renaissance faires, Religion, Sociopaths, Nudism, Magic and many more subjects are woven together in this true life tale of a woman who lived to tell it. Fact IS stranger than fiction. "Occasionally, readers may find themselves in the story, as well, trying to find their life purpose as I describe looking for my own. I'd like to think that my searchings might inspire bravery in my readers. When they see me stumbling through life, making mistakes yet always taking the next step even if it means redefining myself, well, I hope that makes them want to be brave too." ~ Merlyn Fuller, Author
