Sex With Lex Nick Barker was thrilled. A summer working on his college roommate's family ranch was a dream come true for a veterinary student. He didn't anticipate his reaction to his best friend and roommate's father, though. Lex Whitefeather hired his son Sam's best friend for the summer. He figured he'd be generous and help the kid out. He wasn't expecting the young Adonis who stepped off the plane. Nick Barker was no kid. Years of repressed sexual desires rose to the surface that summer. When Lex and Nick finally come together and admit their feelings, Lex is plagued by guilt. He's not "out" to his family and friends. Lex pushes Nick away with his unwillingness to open up to his family. A few years later, Nick is back on the ranch. Will Lex be willing to sacrifice his long-held secrets for true love? Gio's Dream For advertising executive Giovanni Brunelli, moving back to his hometown was the right thing to do. His father's heart surgery and the consequent need for a slower lifestyle pulled Gio from the skyscrapers of Manhattan. Now in Kansas City, Gio sets out to help his father save a dying downtown business. There's only one problem. How is he supposed to work with his dad's business partner and best friend? After years of dreaming, Gio's ready to start doing. But how do you tell your father's best friend you're in love with him?
