This beautiful piano and organ duet arrangement by E. Power Biggs of one Bach's most enduring and inspiring pieces is easily playable by most church pianists and organists. The pianist will usually be playing the triplet figure, with the organist playing the chordal harmonies and the cantus firmus, however the roles are occasionally reversed, adding variety and interest. This is a perfect choice for performance or just for setting the mood for services and is a must for the church musician's library. Two copies included.
