The favor with which my previous volume on California was received by the public induced me to prepare the present volume, which concerns itself, as the title sufficiently shows, with the northern parts of California, Oregon (including a journey through Washington Territory to Victoria, in Vancouver's Island), and the Sandwich Islands. I have endeavored, as before, to give plain and circumstantial details, such as would interest and be of use to travelers for pleasure or information, and enable the reader to judge of the climate, scenery, and natural resources of the regions I visited; to give, in short, such information as I myself would like to have had in my possession before I made the journey. Since this book went to press, Lunalilo, the King of the Sandwich Islands, has died of rapid consumption; and his successor is the Hon. David Kalakaua, a native chief, who has been prominent in the political affairs of the Islands, and was the rival of the late king after the death of Kamehameha V. Colonel Kalakaua is a man of education, of better physical stamina than the late king, of good habits, vigorous will, and a strong determination to maintain the independence of the Islands, in which he is supported by the people, who are of like mind with him on this point. His portrait is given on the next leaf.
