Welcome to Cokesville, Pennsylvania. This is coal-and-steel country, the sort of place where an inch of soot on the windowsill means a regular paycheck--and two inches means a fat one. Where the only way to drown out the moaning of the cooling steel is to turn your radio up. And the best make-out spot in town is next to the burning slag heap. In seventeen captivating interlocking stories, Bathsheba Monk brings to life the fictional American town of Cokesville.
