The Official Vintage Guitar Price Guide has a 15-year tradition of being the most accurate, authoritative, and detailed publication to tackle the seemingly impossible task of placing values on thousands of vintage and recent-model guitars, amps, basses, effects pedals, mandolins, lapsteels, ukuleles, and new this year, banjos. Plus, the VG Price Guide is the only one to do it all in one book! Authors Alan Greenwood and Gil Hembree have again expanded their ultimate price guide to 480 pages, featuring histories, details, and values on over 1,300 brands, with 1,000 photos of all forms of vintage instruments, amps, and effects. Published by Vintage Guitar magazine, The VG Price Guide combines thorough research with its user-friendly format, employing quick-find page headings, page-edge tabs, a comprehensive index, and a dealer directory that puts you just an e-mail or phone call away from guitar buyers and sellers in every region of the country. Also included is an in-depth look at the collectible instrument market, explaining the "hows and whys" in regard to the values of vintage and used equipment.
