What little girl didn't dream of being a queen someday? For Molly, that dream has become a reality, but one she'd rather not face. When she discovers that she's next in line for the throne of the Ours Vaudou clan, Molly is a bit thrown off, to say the least. On top of that, her boyfriend, Asa Harding, turns out to be king of his own clan – one more violent and brutal than hers. In one day, they discover not only that they are they royalty, but they're ancient enemies, which makes dating even more complicated, to say the least.

As Asa learns to deal with his own trials at his Ge-Rouge clan, Molly is left to fend for herself. At first, it appears she has people she can trust, including a council she can turn to and rely on. But she quickly realizes that many of the same people who are entrusted with making sure she sits on the throne are also the ones trying to dethrone her.

Asa doesn't have it easy either. The nice boy-next-door doesn't know the first thing about leading a violent clan of werebears, and if he doesn't prove himself worthy, he very well could end up dinner. So he must prove to them, and himself, that he has what it takes to rule, even though he doesn't really want the obligation. To save everyone he holds dear, Asa doesn't have a choice. Neither does Molly. And it creates a topsy-turvy, sexy adventure in Book Two of the Secrets of the Werebears.

This is a standalone, short, sweet, and steamy read, perfect for a lunch break, bath time, or a little dose of me-time, wherever you are. HEA and no cliffhanger!

For a limited period, it includes an additional story as a special FREE bonus!
