Scottish Highlands, 1329. Sir James McKenna, second son of the powerful McKenna Chief, knows he has found his destiny when he falls in love with sweet Lady Davina Armstrong, niece of the Armstrong Chief. Orphaned in childhood, Davina has always felt like an outsider, and with James finally feels that she belongs. But their plans for a happy future are shattered after a brutal attack by a band of rogues. Horrified, Davina's overprotective family quickly shelters her from everyone--including James. . .

Five years later, James is a changed man. His fighting skills sharpened to perfection, he is hardened by the war and destruction he's endured as a Scottish knight--and by the loss of Davina. Weary, he returns home--and is shocked to find Davina there. Is it too late for them to start anew, or will the past dare to lay claim to their future once more? . . .
