The New Confessions

William Boyd

The New Confessions William Boyd

"The New Confessions" is the outrageous, extraordinary, hilarious and heartbreaking autobiography of John James Todd, a Scotsman born in 1899 and one of the great self-appointed (and failed) geniuses of the twentieth century. 'An often magnificent feat of story-telling and panoramic reconstruction...John James Todd's reminiscences carry us through the ups and downs of a long and lively career that begins in genteel Edinburgh, devastatingly detours out to the Western Front, forks off, after a period of cosy family life in London, to the electric excitements of the Berlin film-world of the Twenties, then moves on to Hollywood...to ordeal by McCarthyism and eventual escape to Europe' - Peter Kemp, "Observer".
