The October Country Ray Bradbury

THE OCTOBER COUNTRY is Ray Bradbury's own netherworld of the soul, inhabited by the horrors and demons that lurk within all of us. This classic collection of short stories includes:

THE EMISSARY: The faithful dog was the sick boy's only connection with the world outside--and beyond. .

.

THE SMALL ASSASSIN: A fine, healthy baby boy was the new mother's dream come true--or her worst nightmare. . .

THE SCYTHE: Just when his luck had run out, Drew Erickson inherited a farm from a stranger! And with the bequest came deadly responsibilities. . .

THE JAR: A chilling story that combines love, death . . . and a matter of identity in a bottle of fear!

THE WONDERFUL DEATH OF DUDLEY STONE: A most remarkable case of murder--the deceased was delighted!

Plus nineteen more terrifying tales!

Renowned for his five-million copy bestseller, *Fahrenheit 451*, and hailed as the finest living writer of fantastic fiction, Ray Bradbury shows with each of these nineteen stories his brilliant knack for extracting the chilling essence of a world's insanities, disorders, and hang-ups. Once again he proves himself to be America's master of the short story.

"An author whose fanciful imagination, poetic prose, and mature understanding of human character have won him an international reputation."

--The New York Times

Playing with family in the park, coming to see the coastal world or hanging out with close friends is thing that usually you may have done when you have spare time, and then why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The October Country, it is possible to enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't obtain it, oh come on its named reading friends.

Susan Brooks:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The October Country can make you experience more interested to read.
