The Olsen Chronicles - The True Story of Kilroy William A. Barth

William (Wild Bill) Barth is a ninety-one year old first time author with a story of action and adventure to tell.

When I was in the War, when life is slivered down to its essentials, when people no longer talked, but only cried, screamed, grunted, and gasped. When every word seemed to matter, but yet none mattered at all. For most people, this was the tragedy of a generation, but for me, it was the biggest thrill of my life.

If you're the type of person who likes to yap, the following five stories might not be for you. Years of fighting have left me jaded, and I don't care to dull it down to sell volumes. I'm sick of reading skim milk yarns; I'm going to tell you how it really was, calluses and all. If you're done with all the excitement, tragedy, and violence of the war, preferring the escape of, perhaps, musical pictures, you should stop reading now.
