Santa Claus is having a green Christmas! In the spirit of Christmas giving, Santa shows boys and girls that they can give to others while giving back to the Earth -- and have fun while they're doing it! Simple things like riding bicycles to the store rather than taking a car, turning the tree lights off during the day and before bedtime, taking the tree to the community mulching center, using discarded newspapers for gift wrap, and making decorations and presents for one another rather than buying new ones, are all ways that kids can help Santa have a green Christmas.

Printed on 100% post-consumer waste recycled paper, this humorous story is full of fun tips and ideas on how kids and families can celebrate a green Christmas. It also includes a sheet of more than 20 stickers made from 10% recycled paper to help spread holiday cheer and environmental awareness. A great way to celebrate white and green Christmas!
