**The Pains of Mass Imprisonment (Framing 21st Century Social Issues)** Benjamin Fleury-Steiner, Jamie G Longazel

This concise and engaging book presents a critical perspective on the correctional system and the process of incarceration in the United States. Fleury-Steiner and Longazel emphasize the magnitude of mass imprisonment in the United States, especially of people of color, not by objective statistics and trends, but by the voices and lived experiences of individuals who live their harsh conditions on a daily basis. This is an ideal book for courses in corrections, social problems, criminology, and prisoner re-entry.
