## **Family of Humanity** Ian Rees

Family of humanity is a book for our time. Looking at the questions of equality and discrimination, of the 'in crowd' and the 'excluded', it offers a challenge to recognise that we are all created in one image - the image of God. We live as part of one family, but whether we choose to recognise that or not is another matter... This book offers a call to compassion, a call to really care for one another, and a call to know and share the feeling that all are loved.
