## **Justice Denied: The United States vs. the People** Howell Woltz

Revised and updated January 2014. Justice Denied is the true story of Howell Woltz' journey through the United States System of Justice and its Federal prisons. Arrested at his farm by the FBI in April, 2006, Howell served 87 months in Federal prison though never convicted by any court with jurisdiction. Told with wit and wisdom, this book reads like a thriller, but its content destines it to become a legal classic and handbook for reform.
