Medusa Jones

Ross Collins

Medusa Jones Ross Collins

It's off to ancient Greece for a split-your-side funny take on the politics of junior-high popularity.

In ancient Greece lived a little girl called Medusa Jones. Medusa was a Gorgon, but apart from that, pretty normal. So she has snakes for hair instead of gorgeous blond ringlets like Cassandra. So her best friend is half horse. Is that any reason for the popular kids to be SO mean?

Medusa's sure the school camping trip is going to be a nightmare. But a rock fall puts the popular kids in peril, and Medusa's the only one who can help. Will she be a hero -- or is her monster side finally going to come out? It's Freaks versus Heroes, brought to life by Ross Collins's hilarious illustrations!

From reader reviews:

Connie Deroche:

The book Medusa Jones make you feel enjoy for your spare time. You can use to make your capable a lot more increase. Book can being your best friend when you getting strain or having big problem along with your subject. If you can make reading a book Medusa Jones for being your habit, you can get considerably more advantages, like add your current capable, increase your knowledge about many or all subjects. You could know everything if you like wide open and read a reserve Medusa Jones. Kinds of book are several. It means that, science publication or encyclopedia or others. So , how do you think about this book?

John Glass:

As people who live in the modest era should be change about what going on or facts even knowledge to make these keep up with the era that is always change and make progress. Some of you maybe will probably update themselves by looking at books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what kind you should start with. This Medusa Jones is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Eleanor Sotomayor:

Precisely why? Because this Medusa Jones is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will shock you with the secret the item inside. Reading this book alongside it was fantastic author who have write the book in such incredible way makes the content within easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of benefits than the other book get such as help improving your expertise and your critical thinking technique. So , still want to hold off having that book? If I were being you I will go to the e-book store hurriedly.

Helen McClain:

Playing with family inside a park, coming to see the sea world or hanging out with good friends is thing that usually you could have done when you have spare time, after that why you don't try matter that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Medusa Jones, you are able to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't have it, oh come on its known as reading friends.
