Pride (Masked Ambition) (Volume 1) Cole Patterson

Welcome to the world of John—also known as Primo, the ego-driven narrator of this blazingly clever novel by Cole Patterson.

Broken into three books—Pride, Humility, and Dharma—this trilogy serves as a guide to mastering life, love, and the American Dream for those astute enough to discover the lessons within its pages.

While chronicling the birth, childhood, meteoric rise, and humbling fall of John, readers are treated to a front row seat to the life events that shape his ego, develop his understanding of himself, and inform his ideas about the world.

Through the poetic voice of John's ego, learn some hard won wisdom on how to successfully pick up women, increase social and emotional intelligence, and perhaps even reach total enlightenment.

Brilliant, irreverent, and thrillingly thought provoking, *Masked Ambition* is a crash course on how to survive life's blows—and come out swinging.
