Patrick M Cunningham

The Awesome Four defy the meaning of the word “superhero.” Ben Jolson, Rodger Landon, Sarah Braithwaite, and Jackie Fairchild join forces immediately upon their initial meeting at a local nightclub. The true adventure begins during their second union when they stumble upon a satanic cult who plans to unleash a ruthless demon into our vulnerable world. Their action-packed, thrill-jolted ventures continue as they fight a chainsaw-wielding lunatic, face a horde of vampiresses surging with blood-lust, and even end up in an alternate dimension that takes danger to a whole new level. With death and sheer destruction creeping around every single corner, Ben, Rodger, Sarah, and Jackie have quite a bit on their plate. But will their bravery, dexterity, and superior strength combined defeat every ruthless foe that comes their way? And will planet earth and the dimensions beyond truly be protected from such constant threats? It's safe to say that the X-men and the Fantastic 4 have nothing on these Awesome Four, for they've been to the infernos of hell and back.

When Demonic forces threaten to destroy humanity. Staying alive is a terrifying business.
