**** This disc is for Computer Use Only ****

On this Disc:

- 19 books with loads of recipes to make Dehydrated foods and meals

Learning to dehydrate food by trial and error can be time consuming, troublesome and expensive experimentation. It's good to fool around with new ideas, but we can use other folks' experience as proven starting points, and then adapt our own ideas and improvements into their concepts. As an example of building on someone else's experience, this cd will show you how to build the perfect large-quantity food dehydrator and how to use store bought dehydrators for small batches as well.

If you have a garden, fruit trees, strawberry patches, etc., that produce abundantly developing the skills to preserve this abundance from one harvest to the next. Canning and freezing only go so far. The resources contained on this Cd will teach you everything you need to know about dehydrating and storing your goodies.

**** The files contained on this disc are in formats designed to open with a computer ****
