Reality Transurfing 1: The Space of Variations Vadim Zeland

This is the first English translation of the first volume of Reality Transurfing, the top non-fiction bestsellers in the world in 2005 and 2006. It describes a new way of looking at reality, indeed of creating it. It provides a scientific explanation of the laws that help you do this, building up a scientific model, speaking in detail about particular rules to follow and giving important how-to tips, illustrated with examples.
