## **TEENERSHIP: Leadership for teens** Randall Mitchell

Teenership- leadership for teens. I have tapped into this unique market because as a teen I had responsibility at school and in the community. Unfortunately all leadership books were for the older crowd in oversized suites and briefcases. There was nothing for the average teen to help us get through school and family life. I have therefore compiled a short easy to read book with personal life lessons. It will help you take charge of your mind, body & spirit. Many other topics are covered, such as bullying, breakups and peer pressure. I believe that before you lead others, you must first be able to lead yourself. I also believe that leadership starts now whilst you are a teen. It starts when you have the capability of making decisions that will shape your future. Let me help you shape the future you desire!
