Love is a funny thing. Without notice, it creeps up on you and takes over every rational decision you make. Without thought, you're willing to do whatever necessary to be with the one who's stolen your heart. Even if that means risking your life, and being cut off from family in the process. And for Vice, that was a loss Storm was willing to take. After giving up on finding true love, the handsome and captivating, Vice crosses the threshold of Storm's heart. As destiny would have it, the couple contributes glee and cherishing moments to each other lives -putting an end to the doubts surrounding their union. Nonetheless, naysayers and skeptics couldn't be more furious of the doting couple. While the two are building one another up, their enemies are plotting to tear them down. Death, disloyalty, and animosity fuels the schemes against Storm and Vice, but the two aren't going down without a fight.
