Creative Visualization: Use the Power of Your Imagination to Create What You Want in Your life

Shakti Gawain

The personal growth field that Shakti Gawain pioneered three decades ago has become a mainstream phenomenon, responding to society's need for meaning in an increasingly complex, confusing world. Achieving growth can be done in many ways, but none more simply and effectively than through the meditation card format. Building on the ideas presented in the author's *Creative Visualization* and *Reflections in the Light*, this elegant deck of 50 inspiration cards in a box features a built-in prop-up frame that allows a favorite card — or rotation of cards — to be displayed. The front side of each card contains an inspirational quotation for reflection. The quote is repeated on the back side and then expanded upon by Shakti Gawain's guiding prose. The latest addition to a series of boxed inspiration cards from Eckhart Tolle, Mother Teresa, and Joseph Campbell, *Creative Visualization* offers succinct and resonant wisdom accessible to anyone.
