This research-based, yet practical book looks at the meaning and direction behind new teachers' actions related to a number of central educational issues. In clear, concise, reader-friendly language, it explores key aspects of classroom teaching, including 21st century teaching and learning, strategies for learning about students and their families, educational stances, planning and assessment, inclusive and responsive instruction, instructional models and strategies, classroom management and discipline, and professional growth. Throughout the book the author balances up-to-date discussions of educational issues, research findings, and practical advice to give future and new teachers a look at the active nature of learning to teach. Thoroughly updated with hundreds of new citations and recent trends such as national demographic shifts, international and national assessment practices and results; Positive Behavior Interventions and Support; bullying; and issues around GLBTQ students and students with GLBTQ families, *K-12 Classroom Teaching* now includes chapter outcomes with quick check items, a new Watch and Think feature with links to videos, and guiding questions to promote exploration and expansion of the content presented in each chapter. The Enhanced Pearson eText features embedded video and assessments.
Improve mastery and retention with the Enhanced Pearson eText*
This access code card provides access to the new Enhanced Pearson eText, a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:

- **Engaging.** The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.
