## The Washington Manual of Medical Therapeutics

Established for more than 50 years as the "Bible" of the medical ward, the Washington Manual of Medical Therapeutics is now in its Thirtieth Edition. This edition has been updated up to the moment of publishing to put recent and accurate dosages and patient management recommendations at your fingertips. Inpatient therapy coverage has been expanded throughout, a new chapter on solid organ transplantation has been added, and the oncology chapter has been expanded to include bone marrow transplantation. The book's handy pocket size, easy-to-use outline format, bold headings, plentiful charts and tables, and extensive index ensure fast access to specific information.
