**A Fall from Yesterday: A Hearts of Harkness Romance (The Standish Clan) (Volume 1)** Norah Wilson  
Ocean Siliker has come back to Harkness, New Brunswick in defeat, after failing to set New York on fire with her playwriting. The first item on her agenda? Climbing White Crow Cliff, where her best friend Lacey Douglas died six years ago. If she conquers the mountain, perhaps she can rediscover her courage. But the only thing she finds herself is...lost. Family obligations have left Titus Standish stuck in Harkness. While his younger siblings went off into the world, he stayed, working the farm and running the local search and rescue. He was there when Lacey fell to her death and blames himself. He dreads the day another mission takes him up there again. But when Ocean's mother calls, concerned that her daughter is wandering the mountain, he leaps into action. Ocean is thrilled to be found...until she sees her savior. She's known Titus Standish all her life, and has loved him almost that long. But at four years his junior, she was just a kid with a crush. When Titus finds her, he's determined to march her back down the mountain to safety. But Ocean has other plans; she'll be damned if she'll give up this trek. Yet all trails seem to lead to one place...straight into Titus's arms.
