Alban Berg: Master of the Smallest Link Theodor W. Adorno

Adorno's study of Austrian composer Alban Berg (1885-1935) is a sui generis document. In addition to Adorno's personal account of the life and musical works of his mentor, friend, and composition teacher, the book explores the historical and cultural significance of Berg's music, its relationship to that of other nineteenth- and twentieth-century composers, and to the larger issues of contemporary life.
