Since the beginning of his existence, man has used imagination to create magical worlds that would transport him beyond the borders of reality. Art of Imagination is a trilogy consisting of the award winning Illustrated History series: Science Fiction of the 20th Century (Year 2000 Hugo Award Winner), Horror of the 20th Century (Bram Stoker Award nominee), and Fantasy of the 20th Century creating the ultimate collection. It was in the twentieth century that book, magazine, and poster artists reached new pinnacles of creativity in depicting the unknown. This collection of works by artists and designers of movie posters, books, and magazines provides a hearty feast for the eyes of the enchanted reader. These artisans and their works are the subject of this new must-have book for not only collectors of memorabilia, but for every person who has longed to step into his or her imaginary world, be it one of fantasy, flight, or fear -- if only for a moment.
