**Spell Danger (Here Comes Heavenly)** Todd Strasser

*Here Comes Heavenly...*

She's cool, she's punk, she's Heavenly, the nanny for my little brother, Tyler. And she makes magic. But this time not even Heavenly's magic may be strong enough to save us from disaster!

## **SPELL DANGER**

We're back from Rome and all I can think of is Rafael, the boy I left behind. Then we hear that the people in Soundview Manor think they've discovered a witch: Cocci Nelliday, the woman who raised Heavenly. She saved a family by levitating them over a speeding truck. Yes, there were witnesses. Lots of them. They're all gossiping about Cocci. And now they're wondering whether Heavenly -- *our* Heavenly -- is a witch too. Reporters are surrounding the house, following us everywhere. We're so afraid of losing Heavenly that we may have to reveal her secret to motormouth Samara...and Mom and Dad!

Our piano teacher, Wes Shackelford, is crazy about Heavenly. He'd be more than happy to rescue her. And Roy is back in my life, confusing everything even more. Where is Heavenly's magic when we need it most?
