With about 2 million tortoiseshell cats in the United States, these special felines tend to be strong-willed, a bit hot-tempered, and often very possessive of their humans. Other words used to describe torties are fiercely independent, feisty and unpredictable. In *Tortitude: The BIG Book About Cats With a BIG Attitude*, cat expert Ingrid King (*The Conscious Cat*) brings her professional and personal experience to explore why these cats are so special. With expert insights combined with stunning photography and passages dedicated to the cats and their passionate guardians, King offers a new perspective on these exceptional cats.
