*Advance your professional learning community into the digital age*

What if you had a school-based online forum for sharing lesson plans, student work, or a new curriculum? You can! The authors explain how they created an online professional learning network and provide all the tools needed to construct an online network to fit your school's needs. Benefits include:

- Enhanced communication among teachers, administrators, and the community
- Easy access to professional development for many more participants
- Implementation of best practices and instructional strategies for improved teacher performance
- Increased understanding of and commitment to reaching educational goals
