**Fieldbook of the Birds of Ecuador including the Galapagos Islands** Miles McMullan, Lelis Navarrete  
A new light and truly pocket-sized field guide for the bird-rich country of Ecuador. All of the birds of Ecuador and the Galapagos Islands are brought together in a single volume for the first time. With over 4,000 illustrations, many never before published, all major plumages for each species are illustrated and are accompanied with descriptions, identification notes, range maps, and notes on distribution and status. A percentage of the proceeds from the sale of this book go toward bird conservation in Ecuador.
