Masterclass Spanish with the Michel Thomas Method Michel Thomas

You learned your own language naturally and enjoyably: now you can learn Spanish in the same way. Use the unique method perfected over fifty years by the celebrated psychologist and linguist Michel Thomas.

No books. No writing. No memorizing. Michel Thomas teaches you through your own language, so there's no stress, and no anxiety. He builds it up, step by step, and you don't move on until you've absorbed and understood the previous point. And, as Michel Thomas said, "What you understand, you know; and what you know, you don't forget." With parallels to the way you learned your own language, each language is learned in "real-time" conditions. There is no need to stop for homework, additional exercises or vocabulary memorization.

In *Masterclass Spanish*, Michel widens your vocabulary and teaches authentic phrases and expressions in a one-to-one seminar. The two-hour *Masterclass* enables you to express yourself more fully by teaching idiomatic phrases and language that will give you the edge when it comes to communicating. *Masterclass Spanish* consolidates everything you've learned in the *Total* and *Perfect* courses. Or if you're new to Michel Thomas, this course is ideal for brushing up your language skills. In only a matter of hours, he gives you a comprehensive grasp of the structure of the language, enabling you to communicate with confidence. The present, future, conditional and past tenses are covered, and you are taught to think about the ideas that you are trying to communicate, rather than to translate words slavishly. He points out the similarities of the vocabulary in English and Spanish and gives you the tools to guess the words you do not know, or think you do not know.

Don't be tied to chunky books or your computer, Michel Thomas Method audio courses let you learn whenever you want: at home, in your car, or on the move with your MP3 player. *Masterclass Spanish with the Michel Thomas Method* provides two hours of teaching over two CDs.
